

Lord, Help Me in My Prosperity

For all things come from You, and from Your hand we have given You."*

May I use each bles - sing You've giv - en me To mag - ni - fy Your name.
The hand that so rich - ly pro - vides each day, The hand that helps me stand.
That some oth - er's load may be light - er now, That Your work grow a - new.
May I let the house that I dwell with - in Be just a pil - grim's tent.
May I show the world where true treas - ure lies, that they be pros - p'rous, too.

Lord, help me in my prosperity
To see these gifts from You,
To count all the blessings You multiply
Before each day is through.

Lord, help me view my prosperity
In light of Your great love.
May I know the joys You have given me
Are blessings from above.

Lord, help me use the prosperity
Of time You've given me.
Please help me secure that my days and hours
Are used productively.
